**Report of Woman's Home Mission Society.**

The tenth birthday of the Woman's Home Mission Society of the Texas Conference finds it with a membership of 2940 in 140 Auxiliaries.

All departments of the work show a good, healthy growth. We have done well. But are looking to greater success in the future.

The spiritual working of the Conference is shown by 374 prayer meetings. Every Auxiliary holds a devotional service at each meeting.

Fifty-six Auxiliaries observed the week of prayer, and gave a free-will offering of \$233.82.

The Benevolent Department made 22,121 visits, distributing 5,753 garments, relieving 1,189 needy persons. Fifty boxes of supplies were sent through the supply department.

To will to know being the source of knowledge, 841 Home Mission women take "Our Homes," the official organ of the Society, and a number of the "Kings Messenger."

Only 367 practice tithing, and the increase in our finances show that that is the way to fill the Lord's treasury.

Financially God has especially prospered the work of our hands. The Treasurer's report shows a total amount of cash received, \$4,278.61; by vouchers for local charity, city mission, and the supply department, \$7,638.35; for church furnishing, \$9,459.63; for parsonage work, \$724.25; donated by Conference Society to eleven parson-

ages, \$1,000, as follows: Gary Mission, \$75.00; Jewett, \$100.00; La-Rue, \$75.00; Big Sandy, \$75.00; Arleston, \$50.00; Neches, \$75.00; Wheelock, \$75.00; Cushing, \$100.00; Gilmer, \$100.00; Somerville, \$150.00; Livingston, \$125.00.

Galveston Wesley House, the new enterprise by our society this year, opened several months ago, with Miss Elizabeth Taylor, Deaconess, in charge, and is doing fine work. This is the first special work of our Conference, and the pledge of 25 cents per member made by the Texas Conference is coming in nicely.

The Grand Total raised for all purposes this year, \$29,616.89, an increase over last year of \$11,355.96.

Respectfully submitted,

MRS. GEO. CALL, Corresponding Sec'y.

#### Report of Woman's Foreign Missionary Society.

There have been 16 Adult Auxiliaries organized in our Conference Society, and 12 Young People's, with a membership of 186 and 153 respectively and aggregating a total of 339. And although this number has been added, yet the net gain is only 265, giving us a total membership at present of 1316, with 81 Auxiliaries, making a net gain of 21 Auxiliaries.

Since last Conference there has been collected for all purposes, \$2,955.35. According to reports sent in, amount collected for fiscal year ending March 1, 1906, was \$3,891.60.

Our work was represented at most of the District Conferences by District Secretaries. All-day meetings have been held in some of the Districts, in the Pittsburg District the meeting was more elaborate.

The meeting held at the Palestine District Conference was attended by the Conference Corresponding Secretary, and Secretary of Palestine District, Mrs. Joe Adams. The meeting at Navasota was attended by the Conference President, Mrs. S. Philpot. At the Missionary meeting at Navasota, a young woman, Miss Cole, offered herself as a Missionary Candidate. She is at Chappell Hill College, this school having offered a scholarship.

Alexander Collegiate Institute has also offered a scholarship and we are praying that another candidate for Missionary work will offer.

Two Missionaries, Miss Mary Tarrant and Miss Ella Leverett, have visited in our Conference during the year and have been a great blessing to us.

The San Augustine and Pittsburg Districts have the largest number of new Auxiliaries since last Conference. San Augustine has four new adult societies and six juveniles. Pittsburg has five new adult, and four new juvenile societies. Our motto is a society in every charge, and every woman in the church a member.

#### Resolutions Concerning the Episcopal Residence at Dallas, Texas.

The following action taken by the Conference of Presiding Elders, other ministers and laymen, at Fort Worth, Texas, September 19, 1906, and amendments attached, have been adopted by the German Mission Conference, the West Texas, Northwest Texas, and North Texas Conferences, at their recent sessions, and are most respectfully submitted to the Texas Conference for harmonious and concurrent action, viz.:

*Resolved, Eighth*—That should it become necessary or desirable at any time to dispose of this property, the Commission shall be governed by the law applicable to District parsonages.

*Resolved, Ninth*—That a majority of the members of the Commission shall be necessary to a quorum, for the transaction of business.

*Resolved, Tenth*—That the Commission, on behalf of the Church, shall assume all financial responsibility which has been incurred by the present Board of Trustees, and including also the purchase of furniture.

*Resolved, Eleventh*—That we realize that the Methodists of this State highly appreciate the eminent services rendered the Church by Bishop Hoss since he accepted our earnest request to live among us, and that we do now, in behalf of all the interests of the Church, urgently request him to continue his residence in Texas.

JNO. H. McLEAN, President.

**Report of Committee on Wesleyan College Property.**

We, your Committee appointed to look into the matter of certain property interests that belonged to the Wesleyan College at San Augustine, Texas, report that as yet we have not fully satisfied ourselves as to our rights and equity in the property, and we ask for further time that we may look more carefully into the matter.

O. T. HOTCHKISS.

V. A. GODBEY.

**Report of Committee on Books and Periodicals.**

Your Committee on Books and Periodicals beg leave to submit the following report:

The Texas Christian Advocate, our Conference organ, continues to meet the requirements of Texas Methodism. It stands for social and civic righteousness. It should and does receive the hearty endorsement and support of our preachers and people. It is a most efficient ally in the spread of the gospel and the building up of Zion and should find a place in every Methodist family.

The statement of the Publishing House shows a large increase in business and profits both at Nashville and the Branch House at Dallas. We especially commend the Branch House, not only to our preachers, but to all our people.

The Review, under its new editorial direction, continues to be a high-class religious magazine worthy of a larger patronage. We especially commend it to all our preachers.

The Epworth Era, both in mechanical construction and literary merit, has made great improvement. We heartily recommend its circulation among our young people.

The Nashville Christian Advocate is the general organ of the whole Church, and should be in the homes, not only of our preachers, but also in the homes of our laymen. Since the General Conference it has taken on a new and more attractive form, and its admirably divided departments furnish information and added interest to all. It is rapidly becoming not only a Church paper, but an excellent family paper as well. We strongly commend the efforts now being made to still further improve it in this respect and make it what it should be—a paper full of interest to all and indispensable to every Southern Methodist.

The Sunday School literature, issued by our publishing house, is of a high order and should be used in all our Sunday Schools. We note with pleasure the great improvement in the Teachers' Magazine, and

especially the excellent scholarly comments on the lesson text. They are most helpful in every way and furnish that which is needed by way of exegesis, throwing light on passages not readily understood by the reader. Dr. Chappell has succeeded most admirably in this important part of the work.

Your Committee nominate the following as the members of the Joint Board of Publication from the Texas Conference for the ensuing year, viz.: J. T. Smith, J. E. Armstrong, W. W. Watts.

*Resolved.* That we respectfully request Bishop Morrison to appoint Rev. John E. Green, field editor of the Texas Christian Advocate.

Respectfully submitted,

G. W. DAVIS, Chairman.

#### Report of Committee on Temperance.

Your Committee on Temperance is gratified to be able to report that the onward sweep of this great movement continues with unabated momentum and power, not only in Texas, but throughout the length and breadth of the United States and of Christendom. Our own great State is gradually being closed to that colossal iniquity, the licensed saloon. At this present time 142 counties stand in the dry column and 59 more have partially ridden themselves of this great evil. The victory, however, is not yet won, for in addition to these 59 counties that are only partially dry, there remain 42 counties under the full dominion of the liquor traffic. Hence, the slogan of Dr. G. C. Rankin, editor of the Christian Advocate, "On with the Battle," must still inspire the triumphant hosts to press onward until the liquor saloon is entirely driven out of our State. The Methodist Episcopal Church, South, is committed to all legitimate non-partisan measures for the abolishment of this traffic—a traffic which not only degrades and destroys the intemperate, but blights the home, handicaps the children, increases crime and corrupts the body politic. Our local option laws are good, but to make them thoroughly effective there is need that law and order leagues be formed in the various local option counties and districts of the State, so that officers of the law may feel more acutely the necessity of enforcing the laws. We deplore the fact that our local option laws have been so interpreted by the courts that much of the law provided by the legislature is rendered useless and nugatory; and we urge our preachers and laymen to do all in their power to have these laws so amended that the spirit and letter of our local option laws may be enforced.

We commend Dr. G. C. Rankin, who, through the columns of the Texas Christian Advocate, is so powerfully aiding this great cause, and we urge that all our preachers and laymen use every legitimate means to banish this accursed traffic. We also heartily commend the W. C. T. U. as it relates to this drink evil and kindred wrongs.

Respectfully submitted,

CHAS. A. HOOPER, Chairman.

C. J. OXLEY, Secretary.

#### Report of Committee on Spiritual State of the Church.

Jesus Christ is the greatest fact in history, the ground for the existence and activity of the Church, the bodily expression of the infinite and eternal Father to the human race. The carrying on of the great work he began was conditional upon His ascension to God and glory. When "He ascended upon high he led captivity captive and gave gifts to men that the sons of Jacob might not be consumed." That all men might become the recipients of His saving grace. The Church is the body of Christ; He is the Head, therefore the Church's action represents what the Head might direct. Christ is the Head over all things to the Church. Our holy religion is the revelation of a divine person to man. The Church should believe and teach

the doctrines taught by Him. As His representatives in the world we are to continue to preach a pure gospel, to raise aloft a banner untarnished and unstained. We are to observe the great ordinances which were instituted by Him. The fiat of our divine Master are to be obeyed. He gives us doctrines to be believed, a line of conduct to be followed, hence the Church is to carry to a successful consummation the great work which Christ came into the world to do, to preach glad tidings to the poor, to lift up human society and give to the world a better civilization by making juster laws and causing them to be administered with greater fairness.

The Church of God rests upon Jesus Christ in perfect security, possessing unfailing and inexhaustible powers, and because she rests upon Him she will be unfailing in the accomplishments of her great mission of subduing evil, and molding and fashioning human life like unto our Lord. Our beloved Methodism is the best form of organized Christianity, indeed Methodism is Christianity in earnest giving to the world the fullest and most perfect expression of evangelical thought. In her communion are to be found the holiest men and most saintly women of the age. Methodism still believes and preaches the necessity of the new birth and importance of the individual having the consciousness of pardon, and the witness of the Spirit. We are glad to note that our Conference is making such marked progress throughout her vast and magnificent territory. The work of the year has been characterized by great revival, increased zeal and liberty, and a larger attendance upon the services of the Sanctuary. The membership of the Church is more loyal to God and more devoted to the interest of His kingdom. Throughout our bounds there has been an abundant harvest, and the Church has made progress in keeping with our material prosperity.

Our Church schools are full to overflowing. The interest of our Sunday Schools is being looked after with marked assiduity. The Epworth League work moves along with steady step and intrepid faith, and from every hill top and lowly vale we hear notes of triumph. Our pastors have been faithful in their ministrations, have been evangelistic in spirit, and sought everywhere and at all times to preach the pure word of God with the greatest simplicity and earnestness.

There have been added to the Church 9048; on profession of faith, 4672; there have been 1176 infants baptized; 2565 adults baptized.

While we have made splendid progress, it has not been altogether commensurate with the magnitude of our opportunity. Our attainments have not kept pace with our ideals. To carry on the work committed to our hands in this rapidly developing country, we need a greater number of men; men of larger faith, more money, more love for God and man; a deeper spirit of consecration, and a sweeter and richer personal christian experience.

S. W. THOMAS, Chairman.

#### Report of Committee on Sabbath Observance.

The sacred observance of the holy Sabbath is of the greatest possible import, as it effects national, home and individual life, and means, perhaps, more than anything else to the Church of God.

And as regards the desecration of the holy day we have cause for sorrow and pain and great alarm for on every hand we see this day which was held so sacred by our fathers and our fathers' God, wholly disregarded and its sanctity not kept in as much reality as a dream.

It is well known that great corporations are working a free born people seven days in the week, thereby placing thousands one seventh of their time in actual bondage.

Love of pleasure and greed for gain has turned the eyes and hearts of almost numberless multitudes, and is turning many more away

from our Christian Sabbath to pleasure finding and money making.

Sunday games, sports and railroad excursions are so occupying the hearts and minds of the people that in many instances, and in almost every section, our once holy Sabbath is being turned into a day of ordinary business and ruinous revelry, and we wish as never before to sound the *note of alarm!*

Railway stations and postoffices are thronged on Sunday for mail and the modern, demoralizing Sunday newspaper, and this often occurring at the hours of worship, thus detracting from the Churches and distracting the worship, and in some places almost breaking up the congregations.

We notice, too, with much regret, numbers of our Methodist people, and in some instances official members and preachers, at these places which is contrary and in direct opposition to the spirit and devotion of Methodism and the teachings of our Lord. Judgment must begin at the house of God! Therefore, be it resolved,

1. That we, as ministers of the gospel, set the example of a holier Sabbath keeping, and that we refrain from Sunday train riding, except when absolutely necessary, and that we do all we can to keep it from becoming necessary, and that we will not buy or read the Sunday newspapers, and will try to lead the people from the folly and sin of such a habit.

2. That we preach more upon this subject than heretofore, and endeavor to awaken the people to the fact that the Sunday picnic, games, excursions and all social diversions of a public nature are destructive to moral and religious life as a people and to individual piety. And that we strive more and more to give the foreigners coming to our country the highest conception of our Lord's day, lest they drag us down and we ourselves forget its sanctity.

3. That we endorse the work of the Sunday League of America, and extend a hearty welcome to Dr. Edward Thomson general manager, to come among us and bring the work before our people. And also that we greatly appreciate our own Dr. G. C. Rankin, and give most hearty endorsement to his utterances, both in the pulpit and in the Advocate regarding the Sunday law and its violators.

4. That we desire to call our people to prayer before Almighty God that He may awaken not only our people, but all the peoples of the earth, that all may hear and heed the voice that commanded and still commands: "Remember the Sabbath day and keep it holy." "Our help cometh from God."

WEEMS WOOTTEN, Chairman.

I. B. MANLY, Secretary.

#### Report of Sunday School Board.

By reference to the General Minutes, we learn that we now have an attendance on our Sunday Schools of 1,150,401, which is an increase of 35,144 over last year. And this we note is an increase of 8,745 more than the increase of last year. And we rejoice to see in the annual report of Dr. Chappell, our Sunday School Editor, that there has been an increase in the circulation of our Sunday School literature, which more than corresponds to the increased attendance of our Sunday Schools. These figures show that our Sunday Schools are being better furnished with our literature than ever before. But while they show this, they also show that only about sixty-five per cent of the officers and teachers in our Sunday Schools take the magazine, and this we believe is not as it should be. We believe every officer and teacher in our Sunday Schools should take, read and study the magazine. We are gratified at the improvement which has been made in our Sunday School Literature during the past year, but we believe it is susceptible of still greater improvement, and we are glad the magazine is soon to be enlarged. We believe, in view of the source of revenue, which this literature is to our publishing house, it should be made just as good and attractive as it is possible to make it.

We are in hearty sympathy with the establishment of a chair of Sunday Schools and religious pedagogy in connection with the Biblical Department of Vanderbilt University, and with the teacher training work under the direction of Dr. Hamill, and we recommend the forming of study circles, and the taking of correspondence course to all our Sunday School workers. We are also in hearty sympathy with the work of the Texas Methodist State Sunday School Conference.

Therefore, be it resolved, That the Treasurer of our Board be, and he is hereby instructed to reserve \$125.00 of the funds in his hands for the use of said State Conference, and that he forward the same to the Treasurer of said State Conference immediately on the adjournment of this Conference.

The following is the Treasurer's exhibit:

#### Report of Committee on District Conference Records.

We, Your Committee appointed to examine the District Conference records, submit the following report:

We have examined the records of Beaumont, Brenham, Calvert, Huntsville, Marshall, Palestine, Pittsburg and Tyler districts, and offer the following suggestions and corrections:

*Beaumont District.*—Supplement F. A resolution refers to the fact

that the District Conference had with some measure of success endeavored to assist the good people of Kirbyville in decreasing the chicken crop of Jasper county. It also states that the Conference enjoyed a rare social meeting with the hospital people. We believe more dignity should be attached to resolutions of this kind.

*Palestine District.*—Motion is made of the appointment of Committees on Licence to Preach, on Recommendation for Admission on Trial, on Deacons and Elders' Orders. But the names of committeemen do not appear. It is the judgment of this Committee that the names of the Committeemen should appear on the record. In the minutes of the morning session of the third day, it is stated that James Kilgore preached at 11 a. m. from Mark 10, and the Conference closed with end of service. Then the minutes of the afternoon session are given. The word adjourn should have been used instead of the word closed. We believe that Brother Kilgore should have been referred to as Rev. James Kilgore.\*

*Marshall District.*—Spelling is not good. Designation of one of the supplements is not made. Some official titles are given when not necessary.

*Pittsburg District.*—Record is neatly and correctly kept.

*San Augustine District.*—This record was not before us. We did however, see the copy of the minutes which had not been transcribed into the records. The Secretary promised this Committee that he would properly record them.

*Houston District.*—The records of this district was not before us.

We suggest that a uniform record book be used by all of the District Conferences, and that the President see that the record is on hand at the Annual Conference.

M. D. FIELDS, Secretary.

J. C. CARR, Chairman.

#### Report of Epworth League Board.

We are constrained to express thankfulness for this department of our church. The Epworth League has been conducive to the culture and refinement of our young people morally, intellectually and spiritually, and challenges our loyal support.

During the last year there has been added to this splendid movement 445 charters, of which 165 were of the Junior Leagues.

The total increase of membership with the connection has been 10-414.

These figures are reassuring, indicating the permanent hold the young people's movement has taken upon the church.

During the year, we regret to report that we have lost three chapters of the Senior League, but are glad to report that we have a gain of three in the Junior. We have a Senior membership in this Conference of 2376, and a Junior membership of 1657.

We make the following recommendations:

1. That sessions of our several District Conferences give prominence to the work of the Epworth League, and wherever practicable the day previous to the day fixed for District Conference be used for the Epworth League District Conference.

2. That the evening of the opening day of the Annual Conference be set apart for a League anniversary.

3. A wider circulation for our sprightly League paper, The Epworth Era. That the pastors urge its use, as it is absolutely indispensable to the highest quality of League work.

4. That Junior Leagues be organized wherever possible, and also Boys' Leagues.

---

\*NOTE.—The Committee evidently did not remember that it is not usual to use the word "Rev." in connection with our records when speaking of one of our own ministers.—Editor.

5. That we endorse our Epworth League Assembly and do our young people a favor by commending the encampment to them.

6. That this Conference confirm the appointment of Rev. Geo. S. Sexton and Theodore Bering, Jr., as trustees of the Epworth League Assembly property.

We offer the following resolutions:

First.—Resolution confirming the appointment of a Board of Trustees of the Texas State Epworth League Conference of the Methodist Episcopal Church, South:

Whereas, Heretofore, to-wit, on the eighth (8th) day of August, A. D. 1906, the Committee on Nominations for the Texas Epworth League Conference, of the Methodist Episcopal Church, South, at Epworth-by-the-Sea, in convention assembled, submitted to said Convention its report No. 1, as follows:

"To the chairman and members of the Texas State Epworth League Conference:

"We would respectfully nominate the following Board of Trustees: W. C. Lee Woods, San Antonio, West Texas Conference; Rev. A. J. Weeks, San Antonio, West Texas Conference; Rev. G. S. Sexton, Houston, Texas Conference; Theo. Bering, Jr., Houston, Texas Conference; Rev. L. S. Barton, Terrell, North Texas Conference; Gus. W. Thomasson, Van Alstyne, North Texas Conference; Rev. Jas. Campbell, D. D., Waxahachie, Northwest Texas Conference; Hon. R. W. Hall, Vernon, Northwest Texas Conference; Rev. C. A. Lehmborg, Castell, German Mission Conference; C. H. Benecke, Houston, German Mission Conference.

"(Signed)

W. E. HAWKINS, Chairman."

And which report, upon motion and second duly made, was then and there adopted, ratified and confirmed as the action of said Convention by the unanimous vote of all present.

Now, therefore, be it Resolved, by the Texas Annual Conference, in convention assembled, at Tyler, Texas, on the 3rd day of December, A. D. 1906, that the foregoing and above named Trustees be, and they are hereby approved and confirmed as the Board of Trustees of and for the Texas State Epworth League Conference of the Methodist Episcopal Church, South, for the four years corresponding to the interval between sessions of the General Conference of the Methodist Episcopal Church, South.

Which resolution was upon motion and second duly made unanimously adopted, by all present voting in the affirmative.

Respectfully submitted,

J. W. BERGIN, Secretary.

#### Report of the Texas Methodist Orphanage Board.

The Board of Directors of the Methodist Orphanage met in regular annual session, at the Orphanage in Waco, Texas, October 17, 1906.

After carefully investigating everything connected with the management of this, your great eleemosynary institution, your board takes pleasure in presenting to you this our annual report.

First of all, we find the orphan children in good health, well fed and well clothed and enjoying the advantages of education exactly such as other children in Waco have.

Prof. W. T. Batcheler and wife have charge of the school, which is conducted in our own buildings and keeps apace with every advancement of our splendid public school system.

In addition to this, we have them under constant religious instruction, through the regular agencies of the home, the family altar, the Sunday School, the public worship and the preaching of the gospel. As a natural consequence, the children grow up to be Christians, and with few exceptions, when they leave us, they go out into the world well grounded in the faith.

Second, we find in the management a quickness to recognize and

remedy anything in the institution which falls below the true and right standard of home life and housekeeping. While the labor problem is to the world a very intense and interesting one, we are trying to make our Orphanage as little dependent on hired labor as possible. Much of the work is done by the boys and girls in the institution, and while it is possible that at times it is not quite as well done as it might be with expert laborers, yet we have the advantage of training the children industrially to independence. We do most of our house work, laundry, gardening, and are now making an effort to enlarge our industrial department.

We heartily commend the policy of the manager and his faithful assistants.

Your board find cause of profound gratitude to God for the increasing interest in the welfare of our orphan children, as manifested by the growing liberality of the people to the institution. Benefactions have flown upon us from several points in the State.

We note with appreciation a bequest from Bro. B. Miller and his wife, Christiana Miller, of Rusk, Texas, of \$12,750; from Bro. W. M. McClure, Belton, Texas, \$500; from Bro. W. T. Smith, Blanket, Texas, \$50, and a donation from Rev. Wm. Allen, of Frisco, Texas, of \$500. Thus our receipts from such sources this year have amounted to \$14,000. This has enabled your managers to make improvements which have added much to the comfort of the children.

We now have a two-story pressed brick building, just finished, that your board desires to be known in the future as the Miller Building, in honor of those noble ones who left us the bequest enabling us to do the work. This building is easily worth \$20,000. The Abe Mulkey building is already well known to Texas Methodism as the result of the faithful labors of Abe and Louisa for the Orphanage. In this building has been placed this year a \$2,500 steam heating plant, to pay for which Bro. Mulkey takes a collection when opportunity favors, in his evangelical work. This building should not be valued less than \$30,000. We now have these two splendid structures on the campus, fronting on Herring avenue, and commanding a beautiful view of the city and challenging universal admiration. We are out of debt. The good people of Houston, by their liberality, gave the Orphanage a beautiful cottage at Epworth-by-the-Sea, and made it possible for Bro. Vaughn, the teachers and fifty of the larger children to have ten days of wholesome and delightful recreation.

Your board appointed Rev. P. H. Hensch and A. P. Duncan an auditing committee, and we are glad to report the books of the Manager correct in every particular. We re-elected Bro. Vaughan Business Manager, and Rev. T. E. Bowman, of the North Texas Conference, Assistant Manager.

The German Mission Conference has generously put in the Manager's hands \$197.40 to furnish the German Mission Ward in our new hospital. What a splendid example by these noble people! May others follow their good example.

We recommend that the assessment for current expenses for the ensuing year be as follows:

German Mission Conference .....	\$ 200 00
West Texas Conference .....	1,050 00
Northwest Texas Conference.....	3,000 00
North Texas Conference.....	2,250 00
Texas Conference .....	2,250 00

After sixteen years of toil and triumph, we thank God we are able to present this report to your reverend body. HORACE BISHOP,  
President Board of Directors.

All of which the Texas Conference Orphanage Board approves, and recommends the acceptance of the assessment of \$2,250.00 as made by the Board of Directors.

W. WOOTTON,  
President Conference Orphanage Board.

**Report of the Conference Board of Education.**

We, the Board of Education, beg leave to make the following report:

The report of the General Board of Education was before us, from which we learn that we have in our church 198 institutions of all grades, worth \$9,789,728, an increase over last year of \$1,551,729. There are in these institutions 34,446 students, an increase over last year of 5,368.

The last General Conference broadened the field of operation of the General Board of Education, and changed the law of assessment. We call attention of the Conference to the fact that the assessment for the General Board upon each Conference must be taken separately from other Conference assessments for education, and proceeds forwarded directly to the Secretary of Education at Nashville, Tenn. The assessment for this conference is \$1,755.00.

We have had under consideration the report of the committee appointed by the Dallas Educational Convention, looking to the establishment of an educational commission in Texas; also the amendment adopted by the West Texas Conference; we recommend the recommitment of this matter to the same committee with the adoption of the amendment suggested by the West Texas Conference.

We recommend that the conference appropriate \$100.00 to assist in paying cost of publication of volume of addresses delivered at the Educational Convention held at Dallas last April, and that it instruct the treasurer of the Board of Education to pay this sum out of the collections now in his hands.

We note with pleasure the continued prosperity of our Southwestern University and take notice of the sore need of more professors and better equipment in order to adequately do the work which the church demands.

The following resolution has already been adopted by the other Texas Conferences and we recommend that this Conference also adopt it.

Resolved, That so soon as possible, under the direction of the Commissioner of Education and the authority of the Southwestern University, together with the Presiding Elders, there be organized in each Presiding Elder's District an educational campaign looking to the raising of not less than five hundred thousand dollars to equip and endow Southwestern University.

We recommend that as soon as the trustees of the Southwestern University deem it practicable, there be established courses in theology to meet the needs of a large number of students who are not immediately able to attend the theological department of Vanderbilt University.

Under the direction of the patronizing Conferences, the Board of Curators and Board of Trustees of Southwestern University have been abolished and a Board of Trustees established in their stead.

This conference, in harmony with the action of the other Texas Conferences, is asked to name five traveling preachers as clerical members of said board, and four laymen residing in the bounds of this Conference who, together with a fifth laymen who shall be an alumnus of the Southwestern University, to be selected by the alumni residing within the bounds of this Conference, and whose election shall be confirmed by this Conference, will constitute the laymembership of said board.

We recommend that the following be elected for four years: V. A. Godbey, O. T. Hotchkiss, Jas. Kilgore, T. S. Garrison, S. F. Carter, and that Nathan Powell, Ellis Smith, Wm. Weiss, Cone Johnson, be elected for two years, and at the expiration of the term of service of the above named trustees their successors be elected for a term of four years, as provided by the Charter of Southwestern University.

We further recommend the appointment of Rev. J. L. Russell as financial agent of Chappell Hill Female College, and that J. A. Routt, S. W.

The Alexander Collegiate Institute, Jacksonville, Texas, is a vigorous growing educational institution, situated in a prosperous part of the State. With a strong, capable faculty, an excellent course of study, and with building whose erection is now in progress, it is, and promises to be, a growing factor in the development of our Church.

We strongly commend it to our people as worthy of generous support and increasing patronage. At the request of the Board of Trustees we recommend the appointment of T. J. Milam, C. A. Tower, Frank Devereux, to succeed S. R. Hay, J. T. McClure and W. T. Graham as members of the Board of Trustees, and Rev. T. J. Milam as financial agent.

We recommend the appointment of Jas. Kilgore as Conference Secretary of Education.

We recommend the following assessments for the Conference year:

Educational Extension .....	\$1,750 00
Southwestern University .....	3,900 00
The Summer School of Theology.....	200 00
Alexander Collegiate Institute .....	1,000 00
Chappell Hill Female College.....	500 00

There seems to be an opening for the establishment of a Methodist School at Houston, Texas, and we recommend that H. C. Pritchett, C. J. Oxley and Nathan Powell be appointed a committee to work in conjunction with the Presiding Elder and pastors of the City of Houston to consider a proposition made to us by the East Houston Development Company, or any other proposition Houston may make relative to the establishment of a Methodist school there. The Presiding Elder of the Houston District to call a meeting of this committee when necessary.

We desire to emphasize the growing importance of the schools in the work of evangelizing the world. Methodism, born in a University, has ever been engaged in the search for truth. The hospital and the school are now recognized as necessary adjuncts to the work of the Church, in many cases furnishing open door, especially in our foreign fields. Since this is true, the support of these institutions is essential to the progress of the Church.

May God give us an awakening in this department of our work.

B. H. GREATHOUSE, President.

W. K. STROTHER, Secretary.

#### **Report of the Secretary of the Board of Missions.**

For several years the uniform tendency has been that our domestic missionary situation grows more and more serious. The rapid increase of population in almost all the territory of the Conference, which brings increase of material responsibilities in the way of houses for worship and houses for residence for our ministers, creating an urgent demand for more pastors, only explains in part our situation. New industries and enterprises springing up among us bring to our shores, even to our doors, a mixed multitude, hard to wield even for the commoner interests of citizenship, and harder still to lead into a sympathetic co-operation with us in the elevation of society into a sane and devout Christian life.

The large lumbering districts of the conference brings us many of every form of American society, with the religious element far in the minority. The coast region for a hundred miles has opened a vast rice field that has tempted the ends of the earth. Our larger cities and towns are being crowded with all classes except the best, who are far too small. We may as well get ready to handle a part of Japan, Italy, Germany, Poland, Bohemia, and in fact, almost all the countries of the world, at our doors. We can not afford to imperil the very existence of our church by doing less for Foreign Missions, but we must make a larger reason for the existence of our church, by doing more at home and abroad.

The hope of our future usefulness lies in our ability to resist the temptation to join with our new-comers in their mad rush for wealth.

Thomas be confirmed as Trustees of said College.

Our new neighbors will show us many features of wealth and methods of acquiring it, that will doubtless prove more attractive than winning souls. Indeed the test is NOW on us and the wise-hearted of the world are observing the sluggishness of the church. Every town and city has its commercial club, alert and keen to catch the sense of the new time. But our church is doing very little more than it did ten years ago, when the situation was about one-fourth as grave as it is to-day. It is time to appeal to our preachers, from the largest city church to the remotest circuit, that the test is on us NOW whether we will hold this land for Christ. We may not know it, but Methodism is on trial today for her place of primacy and power fifty years from today.

If we do not show ourselves worthy to hold the first place among the religious forces two generations ahead of us God will pass the palm of present opportunity to others more worthy than we.

Surely our preachers and people have not taken adequate time to think seriously over this situation. Many of our people think themselves quite willing to support the ministry that labors for them today, but have no interest in any form of religious work that looks to the future for its harvest. How like the husbandman who works his orchard for the present crop, but is unwilling to plant and cultivate for the future. How long will it be till there will be no orchard tree to cultivate? Some pastors who luxuriate in pleasant charges today and have no time to plant a mission Sunday School or plant a mission chapel, or can not stop making fine esthetic discourses for people who want a gospel that has been tried by the pastor, would greatly increase their usefulness if they would but look into the near future for the harvest that is certain to be theirs. When such a generation passes away where are the chapels and parsonages to come from to house their successors? Every pastor that enjoys these things today ought to feel he is called to prepare for two successors for himself in the next generation, for nothing is surer than the prophecy that there will in the next generation be two preachers where now we have one. The Church has ceased to need any other kind than missionary preachers. It of necessity follows that she has ceased to need any other kind than missionary members. If this Conference can catch this truth in an awakening sense upon the conscience, we will have a changed state of affairs in ten years from today. A campaign with force enough to startle every pastor and every Sunday School superintendent, and every official member ought to start right now, and never stop till the Texas Conference raises \$50,000 annually for missions.

Your Board has determined upon a forward movement. They are impressed that the real ability of our people to hold the foremost place in the Christian forces of this country has never been tested. Their resources for Christian effort in a prolonged and well sustained campaign to hold this land for righteousness, can be relied upon far beyond any thing that has so far been asked of them. In fact, all that is needed to get an unlimited support in this good work is to get our large and loyal constituency really aroused. With this feeling well entrenched in the minds of the Board, a decided advance has been determined upon. We shall need to spend much time in educating our people and developing larger ideas. The "sleeping giant" must be aroused and wise leadership must be supplied. The Board has requested the Bishop to appoint a Missionary Secretary for the Conference to give all his time, and they have provided his support. And in this work the Board earnestly seeks the hearty co-operation of every pastor and layman in the conference. We really expect nothing less than the enthusiastic endorsement of the movement. With this co-operation our cause is sure to win; without it we are almost sure to fail.

The Missionary Collections from the charges of the Conference are in the main better than they have ever been, yet they are not as good

as we hope for. In Foreign missionary collections, six districts paid an excess as follows: Beaumont District, Brenham, Houston, Palestine, Pittsburg and San Augustine. In Domestic missions, the following districts paid an excess: Beaumont, Brenham, Calvert, Huntsville, Palestine, Pittsburg and San Augustine. Seven excesses in the Domestic collections. Five of the ten districts paid an excess in both Foreign and Domestic collections, as follows: Beaumont, Brenham, Palestine, Pittsburg and San Augustine. The total excesses amount to \$635.42. The total shortage amounts to \$288.76, leaving a net excess of \$346.66

### MEMOIRS.

#### Memoir of M. W. James.

Rev. M. W. James was born in South Alabama, June 19, 1871. His parents moved with him in his early childhood to Texas, and in 1882 they settled in Nacogdoches County. He was converted and joined the M. E. Church, South, in 1885 under the ministry of J. W. Langley; was licensed to exhort under the ministry of Rev. W. W. Watts in 1893, and was licensed to preach the following year. In 1899 he was married to Miss Alice Perrith, with whom he lived happily till death, and who with his three little children, mourn his departure. In 1902 he was appointed to supply Appleby Mission, and was admitted on trial into the Texas Conference in November, 1902, at its session in Crockett. In 1903 he served Call charge. In 1904 and 1905 he served Jasper Circuit, and in 1906 he was appointed to Emory Circuit, which he served acceptably till his fourth Quarterly Conference, immediately after which he was attacked with typhoid fever, which resulted in his death November 5, 1906. He was transferred by Bishop H. C. Morrison to the West Texas Conference and read out to Buda charge, but died before the appointment was made. Such are the brief facts in the life of a splendid young man who bade fair to be a useful preacher in the Church of our Lord, Jesus Christ. His heart was in the work and his every effort was to make himself efficient in the work of the Church. He attended the Summer School of Theology at Georgetown last Summer and told me, as his Presiding Elder, that he did not intend to miss it ever again. Brother James was only in my District one year and I learned to love him very much and to appreciate him as a good, true man, and one who bade fair to do much good in the world. During his last illness I only visited him once and it was pathetic to see him. His sickness affected his thoughts about winding up his work. He had worked hard to secure all his collections,

and said he would get them if he could only get well enough to go after them. The people of his charge did all they could do for him during his sickness. God bless them for their kindness to His suffering servant.

E. W. SOLOMON, P. E.

#### **Memoir of F. A. McAshan.**

Rev. F. A. McAshan came to Texas from the Alabama Conference in 1852 and was assigned to Huntsville Circuit.

He was always a delicate man, very modest and shrinking in the social world. He was a hard student of the Standards of Methodism. In the pulpit he had few equals in the State. He was logical in the presentation of his subject, forceful in his utterances, and powerful in his exhortations. What he did was well done. He was superannuated shortly after the war and sustained that relation till death. He left the impress of a pure, consecrated life in the minds and hearts of his brethren. The records of his early ministry have been destroyed or lost. The universal verdict of those who knew him best was: "He is a good man." We place his name on the roll of honor and extend the sympathies of the Conference to those who are bereaved by his death.

L. M. FOWLER, for Committee.

#### **Memoir of Rev. C. B. Smith.**

We come to talk of and think about the life and death of Brethren who have been transferred to another field of service in the Master's Vineyard. This life is only the place where service begins; the place where we learn to work. We will be skilled workmen Over There.

Bro. C. B. Smith has gone from our Conference to the one above; he has gone to join our fathers and work with them. Death came but was not unexpected. His coming had been announced. His house was in order; he received the King as his guest; he was set at liberty and went home. Bro. Smith was converted. He knew he was converted and knew when and where he was converted, and he never doubted his conversion. He joined the M. E. Church, South. He was called to preach by the Master and witnessed by the Holy Ghost, was granted a license by his church and went to work. He was a Methodist preacher. He received his appointment from the Bishop; he did not make it himself, he did not wire-work,

he was a field-hand. He aspired not to high places, but he wanted work. That work was faithfully performed. He was a decided man, you knew where to find him, he was never on the fence. Bro. Smith was a good strong preacher; he preached the Gospel and did not doubt nor criticise the Bible, nor the standard of the Church. He was not a great man, as the world calls great. He filled no great appointments, but God honored him and his ministry. The greatest minister is the man who brings souls to Christ; he brought them; in this he was victorious. He had a right to shout in death "I have fought a good fight." He had a right to say "there is laid up for me a crown of righteousness, I have a right to enter through the gates into the city."

Bro. Smith was born in Douglass, Nacogdoches County, January 15th, 1859; died in Gilmer July 8th, 1906. He joined the East Texas Conference in 1889 and traveled fifteen years. He served the following charges: Homer, Elkhart, Holcomb, Melrose, Center, Tenaha, Minden, Quitman and Gilmer Circuits.

He leaves a wife and four children to mourn their loss. Will the Conference take care of them? He did his work, will we do ours?

### George R. Hughes.

Rev. George H. Hughes was born in Shelby County, Texas, October 13th, 1850. Professed religion and joined the Methodist Episcopal Church, South, under the ministry of Rev. J. T. Smith, in 1882 at Sardis on the Shelbyville circuit. He was licensed to preach the same year by Rev. W. A. Sampey, Presiding Elder.

He served Hemphill Mission in 1883 as a supply, and was at the Annual Conference of that year, admitted on trial in the East Texas Conference and continued to serve Hemphill Mission during 1884, 1885 and 1886.

He was then appointed to Carthage circuit and served four years, from 1887 to 1890. Mount Enterprise circuit 1891, 1892 and 1893. Arleston circuit 1894. Beckville circuit 1895, 1896. Quitman 1897. Winfield 1898. New Boston 1899, 1900 and 1901. Mt. Pleasant station 1902. Lindale circuit 1903. Canton and Edgewood 1904. Troupe and Overton 1905, and was re-appointed to same charge for 1906 and served it till April 26, 1906, when he took a transfer and received his appoint-

ment from the Great Bishop of Heaven to serve on one of the charges in "that land that is fairier than day."

He was ordained Eeacon by Bishop Duncan in 1885, and was ordained Elder by Bishop McTyeire in 1887.

George Hughes was a Methodist preacher in the full sense of what the word implies. His heart was in the work, he talked about the things that were nearest his heart and that was his church and his people. He was a faithful pastor always having the good of his people in his mind. He had a cheerful disposition and those among whom he lived felt the impress of his nature. He was a successful preacher and revivalist and many souls were added to the church under his ministry. He was a lovable man and frankly spoke his feelings. He was devoted to the brethren who were his fellows in the work and was never more happy than when with them.

His devotion to his family was beautiful to see. He had them constantly in mind and gave them the best of his life.

In his last sickness it soon became evident he was going to be called away, and he realized it, and as soon as he did, he announced it and testified his readiness to go. He called his family and those of the brethren who were with him and said, "Meet me up yonder, brother and sister are up there waiting to bid me welcome to my eternal home." And when the end came near he sang, "Sunshine in my Soul;" "I have anchored my Soul;" "I am Going Home to Die no More." And many other songs that were sweet to him. At the last he said, "Tell the brethren at the Conference I have been transferred to the Great Conference above." He was ready, willing and waiting when his transfer came. He leaves a wife, two sons and one daughter behind, while he joined two who had preceded him and was waiting for his coming.
